EASTSIDE

RING FLING

Diamond rings are hot on the Eastside, especially with the ever-growing brides-to-be. These big, flashy rings are designed by Bruce Hagroff, a local hardware designer. Hagroff's custom rings are created from precious and semi-precious stones and set in intricate hand-forged platinum, 18 or 14K gold. Hagroff's favorite stones are those of the quartz family including amethyst, citrine, rose and smoky quartz, emerald and clear crystal quartz. Find out more about Hagroff and his jewelry at www.brucehagroff.com.
