Best New Shoe Store Posh on Main

.....

(BELLEVUE) 10245 MAIN ST., SUITE 103;

Cross the threshold and it's as if you've entered a rarified gallery. The air smells deliciously of fragranced candles and fresh flowers. Gilded frames surround inset shelves, artful shoes pose in each of the spotlights. Plush carpet is underfoot, and in the corner of the salon, a chocolate velvet settee decorated with plump pillows beckons you to sit down. Luckily, the curator of this chic showroom, Angela Self, is warm and engaging, and she'll give you a tour, pointing out never-before-seen-in-the-Northwest names like vampy Courtney Crawford, Holly Dunlap's flirty footwear, Hollywould; and the beautiful boots of Loeffler Randall. The prices fit the presentation, ranging from \$200-\$700.
